DESCRIPTION

MasonryDefender Clear Non-Slip Additive is a micronized, polypropylene texturizing agent designed to provide a uniform textured surface to MasonryDefender Garage Floor Sealer, Stamped Concrete Sealer, or other acrylic sealers and paints.

Where to Use: Garage & Basement Floors, Stairs, Steps, Walkways, Patios and Pool Decks.

Advantages:

- Creates Strong Slip-Free Surface
- Adds Gritty Texture Without Color Change
- Chemical & Detergent Resistant
- Adds Safety to Stairs & Walkways

DIRECTIONS FOR USE

Application: Add four ounces of Clear Non-Slip Additive to 1 gallon of coating. Stir well. Follow application instructions for sealer. If applying more than one coat, add Clear Non-Slip Additive to top coat only. Do not reapply over wet areas.

Limitations: Not recommended for silicones, wax-based coatings or silane/siloxane water repellents.

Cautions: Use with adequate ventilation.

FIRST AID: After inhalation, supply fresh air. For skin contact, wash with soap and water. In case of eye contact, rinse opened eye for several minutes under running water. If any symptoms persist, consult a doctor. If swallowed, do not induce vomiting, get medical help immediately.
KEEP OUT OF REACH OF CHILDREN.

Limited Warranty: SaverSystems warrants this product to be free from manufacturing defects. SaverSystems' liability shall be limited in all events to supplying enough product to re-treat the specific areas to which defective product was applied. This warranty does not include the cost of labor application.

PACKAGING

Available in 4 oz., recyclable plastic containers

TRANSPORT AND HANDLING

MasonryDefender Clear Non-Slip Additive is not considered hazardous under Department of Transportation (DOT) regulations. Do not stack pallets.
